REGZILLA

HIPAA/HITECH Omnibus Rule was issued on January 25, 2013.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

CHANGES

There are a number of significant changes to the Rule which can be broken down in various ways:

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

NEW KEY LEGAL TERMS

- **MENS REA**-State of mind, what did you know, what was your intent, what were you thinking?
- **CONSTRUCTIVE KNOWLEDGE**-Did you know or should you have known that something was a breach?

NOTE: each of these terms places a significant emphasis on being aware of what it going on in your facility and heading off problems before they become significant issues.

Also note, reasonable cause, reasonable diligence and willful neglect, See 160.404.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

SECTION 160.102

Makes HIPAA provisions, particularly security and reporting provisions, applicable to Business Associates.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

YOU SAY TOMATO, I SAY TOMHATO

- Who exactly is a Business Associate?
 - A Business Associate is a person or entity who performs work on behalf of the covered entity and is not a member of its workforce. Such work or services must involve the use or disclosure of PHI.

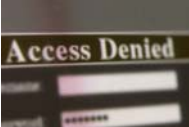

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

DON'T FORGET

- Non BA may have access to information. Contracts with non BA should also specify security protocols and indemnification.
- You must minimize the non BA's ability to access such data.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

FILING COMPLAINTS

These regulations also allow patients and others affected by HITECH/HIPAA issues to file a complaint directly with the secretary of HHS or State AG regarding a CE, Business Associate or Subcontractor. This includes complaints of retaliation.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

BREACH

Major changes have occurred in how a breach is identified. The prior rule states that a breach occurred when there was reputational or other specific harm including potential identity theft.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

GUILTY UNTIL PROVEN INNOCENT - BURDEN OF PROOF

The burden of proof has shifted from showing that something such as identify theft was not likely to a heavier burden of proof on the entity to show that the information was not in fact compromised.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

NEW STANDARD

Breach now means an assessment of

- 1) The nature and extent of the PHI involved, including identifiers and likelihood of re-identification;
- 2) Who may have had access to the PHI or to whom disclosure was made;
- 3) Was the PHI actually acquired or viewed; and
- 4) To what extent has the risk of disclosure been mitigated.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

4 BASIC TIERS

- DID NOT KNOW: \$100-\$50,000 excess 1.5 Million.
- REASONABLE CAUSE: \$1,000-\$50,000 excess 1.5 Million.
- WILLFUL NEGLECT with 30 day correction: \$10,000 - \$50,000 excess 1.5 Million.
- UNCORRECTED WILLFUL NEGLECT: Maximum \$50,000/1.5 Million

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

SECTION 160.406

IDENTICAL REQUIREMENT

This section specifically states that a separate violation occurs each day, the covered entity or BA is in violation of the provision but will also take into consideration actions taken to mitigate damage and assess cure.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

PRIMARY FACTORS RELATING TO DETERMINATION OF PENALTY

- 1) NATURE OF THE VIOLATION
 - a) The number of individuals affected;
 - b) The time period during which the violation occurred;

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

- b) Whether the violation resulted in financial harm (i.e. loss of job, etc.);
- c) Whether the violation resulted in the harm to the individual's reputation (you live in a small town, what do you think?);
- d) Whether the violation hindered an individual's ability to obtain healthcare (did you blacklist them?).

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

3) HISTORY OF PRIOR COMPLIANCE

- a) Previous non-compliance;
- b) Have you attempted to take corrective action;
- c) Have you responded to technical assistance from the secretary;
- d) Have you responded to prior complaints.

©2016 DAVIS BROWN KOEHN SHORS & ROBERTS P.C.

FINANCIAL CONDITION

- 1) FINANCIAL CONDITION OF THE ENTITY OR BA;
